

Even With Diabetes, Life Can Be Sweet.

Sure, living with Diabetes means having to modify your lifestyle, but it doesn't mean your life is ruined. Between testing and monitoring your blood sugar and making sure you have enough supplies, there's a lot to do. We make getting your diabetes medications and supplies easy. With one simple phone call we can determine if you qualify for Medicare and Medicaid and if you are eligible for:

Free Medications and Supplies*
Free Home Delivery*
Regular Three Month's Supplies

With just one toll free phone call we can provide you with all the diabetes testing supplies you need, including monitors, test strips, syringes, even pump supplies. Choose from a full selection of glucometers and matching test strips such as Ascensia, Freestyle, TrackEase, Precision, One-Touch, One Step, Accu-Chek, to name a few.

**Medicare and/or other insurance required / co-payment and deductible may apply*

Diabetic and Medical Supplies Delivered Directly to your Door.
We don't just provide customer service, we deliver great customer care.
