

Culture. Customs. Tradition. Financial Services.

You want a firm that understands it all. You need Sterling Financial Investment Group.

You are not just another client with ordinary financial needs. You are a U.S.-based or international Hispanic business person, CEO, COO, CFO, member of government or a high net worth individual seeking sound advice and solid solutions to challenging financial issues.

Whether you are considering an IPO, M&A work, or strategic advisory services, Sterling Financial Investment Group has built a world class reputation on providing custom solutions to meet your demanding financial needs, regardless of the scope or magnitude of the services you require.

Go ahead, give it a whack and give us a call — you'll be pleasantly surprised at what you get!

You'll also find out why we've become one of the nation's fastest growing, privately held, Hispanic-owned investment banks catering to the Hispanic community, both domestically and internationally.

Sterling Financial was named by *Inc.* magazine as the number 8 fastest growing privately held company in the United States in 2002; that same year we were named by *Hispanic Business* magazine as the number 1 fastest growing privately held Hispanic owned firm.
